IMPROVE THE HEALTH
OF YOUR ACOUSTICS
LAMVIN

LAMVIN

BEAUTIFUL. SUSTAINABLE. QUALITY. CUSTOM.

Founded in 1961, we are a leading manufacturer of quality, custom **architectural acoustical products** for walls and ceilings that reduce noise, ensure privacy and improve patient comfort in medical environments. We pride ourselves on our:

- Sustainable practices and products including Baffles, Panels and 3D Acoustics
- Excellent lead times
- Friendly and responsive customer service

Built for demanding conditions, our acoustic solutions help control noise and reverberation in:

- Waiting Areas
- Medical Exam Rooms
- Offices
- & More
